

Essential Companion Scheme

Membership of the Essential Companion Scheme is open to patrons who need additional assistance to access the services within The Octagon Theatre.

South Somerset District Council is firmly committed to enabling everyone to participate in all Octagon Theatre events equally and with dignity and respect.

The Octagon Theatre recognises that some customers with disabilities may require the services of a helper or friend to enjoy the facilities offered at the venue. This person is designated as an 'Essential Companion'.

We are happy to offer free seats to 'Essential Companions' to enable our customers with disabilities to visit The Octagon Theatre and all its facilities.

The scheme is not open to, or intended for, those who simply require assistance with transportation to The Octagon Theatre. An 'Essential Companion' is somebody who is able to help the individual with a disability to use and enjoy the services of The Octagon Theatre, as well as ensuring their safety and wellbeing.

The 'Essential Companion' should familiarise themselves with the layout of The Octagon Theatre and the location of services. They should liaise with Octagon Theatre staff if the individual with a disability requires assistance and take instructions should there be a need to evacuate the building. The 'Essential Companion' is required to attend to the needs of the person with a disability at all times whilst on the premises.

As The Octagon Theatre is a publicly funded organisation, we require either the person with a disability or their appointed representative to complete the attached form and provide photo ID and proof of entitlement.

The information you give us is protected by the Data Protection Act and will only be used for the purpose set out in this document. All tickets are subject to availability at the time of booking. The Octagon Theatre reserves the right to review the availability of tickets within the scheme, to review a member's eligibility and to revoke that membership following review.

Any abuse of this scheme could result in your membership being revoked with immediate effect.

If you have difficulty completing the membership form or would like more information, please contact the Box Office. A member of our team will be pleased to assist you.
